THE EP IMPACT FELLOWSHIP EXPERIENCE

CREATE IMPACT. Professional opportunities outside of the classroom in education are complex, challenging, and meaningful. Apply your skills to a strategic challenge at an education organization.

- 10-month placement on a mission-critical project aligned with your professional background and skills
- Tackle a data analysis or project management challenge that contributes to data-driven decision-making and advances organizational initiatives
- Supervision and management by an experienced organization leader
- \$47,500 stipend (\$58,000 annualized)

GROW AS A LEADER. Through leadership development programming, explore why you're driven to become a changemaker on behalf of children, schools, and communities.

- Practice the leadership competencies and skills that will prepare you for success long-term
- Interactive study and exploration of key education issues and policies with influential sector leaders
- Collaborate with a cohort of peers who will support and fortify your career advancement

BUILD COMMUNITY. Develop robust connections that can last throughout your career by being part of a dynamic, diverse cohort of fellow Pioneers.

- Long-term professional connections with a dedicated cohort of peers
- Access to a nationwide network of industry leaders, more than 750 partner organizations, and over 4,500 EP Alumni
- Advice, support, collaboration, and job opportunities from the EP network

Education Pioneers believes it is critical for leaders in urban education to reflect the communities they serve. We actively recruit those who identify as part of historically marginalized communities, including people of color and individuals from the LGBTQIAA+ community, to join the Education Pioneers network. We support equal opportunity for all people and we strongly encourage candidates from diverse backgrounds to apply for the Fellowship.

WORK LOCALLY, CONNECT NATIONALLY

EP works in communities across the nation to make a deep and sustained mark in education. This year, we are offering the Summer Fellowship in Texas (Dallas and Houston), Chicago, Washington, D.C., and the Bay Area. We partner with organizations that think differently about how to serve students. There are incomparable opportunities to make an impact now.
