Grow your team's **leadership and capacity** next summer.

Our 10-week Summer Fellowship gives you access to high-potential leaders who provide dedicated support in strategy, operations, project management, or data analytics for a defined project over the summer.

In 2025, we are excited to partner with school districts, charter school networks, state agencies, and other education entities in Washington, D.C., New York City Metro Area, Chicago, the San Francisco Bay Area, and Texas (Dallas/Fort Worth and Houston).

The work that Fellows can do builds on their previous experience in:
